

Offwell Parish Council Coronavirus Plan for supporting the Community

The Parish Council has pulled together support from all local groups, businesses and all residents and set up **an Offwell Neighbourhood Support Group** to try and help the Community through this Crisis.

We are working with Offwell Rural Services Association (ORSA) in managing and operating this support group, which will be there: -

- if you require someone to do your shopping, post a letter or collect your prescription
- if you would like to receive a friendly phone call to combat loneliness and isolation and get you through the day
- for emergency support by local tradesmen
- to pass on information quickly

In order to access these voluntary services please call Lynn who is coordinating the Support Group and volunteers. See contact details below

OFFWELL NEIGHBOURHOOD SUPPORT GROUP

Coordinator

Lynn Whithear, Kyrenia 01404 **831924**

Are you able to volunteer too?

In order for the Offwell Neighbourhood Support Group to provide an effective service, we would welcome some assistance, if you would like to help us out and are able to offer some time to shop, deliver or make a phone call or two we would be very pleased to hear from you.

If you wish to volunteer please call Lynn.
